All board members are going to send Aileen their Lydia's - Departmental secretary - award information to the Teacher Placement

Kathleen, Shellie and Kathy - will review the New Mentor Awards applications -

Stephanie is going to put together a committee for the Fall 2016 Planning Committee

Freddie - discussed sending out a list of committee - everyone bring one new member - challenge every member to bring at least two students (Stephanie)

Freddie mentioned working in July on the committee - participation and nomination, program (Stephanie), membership, audit, and we have the awards committee. Susan mentioned that she would help Stephanie and so did Kathy.

Jeff will roll off - Freddie move up and Stephanie - 2017 for Susan -

Offer a K-12 scholarship - work as professional development

Find a practitioner for the board - at large members - change the at large for K-12 - 6 board members - one of the following constituencies - P-12, Higher Ed,

Aileen send out a call - invite a mentor teacher - ex-officio - George - not a voting - give input without being voting members.

Give them a membership for the following year - scholarship to come - each year roll into the next - prepare to present - invite them to do a session the following year - ask this year to present -

Stephanie - Devils advocate - someone who doesn't attend - why do they get a vote?

Considering a visiting board member - strand suited for those in classroom -

Freddie - ATE just put out a book about training new mentors

Susan - strands should be about partnership - build that -inviting a mentor with their men tee - relationships - how is it working

Freddie - Stephanie - as conferences chair - how are we going to fill it - we could encourage them to attend - we would like to invite you to be special guest for our strands - invite them to attend other sessions - build partnerships - be a permanent strand

Send Aileen the supervisors placement name - I send out a call - Stepahnie and Freddie - next year mentor - asking for volunteers for special session -
